I SPY camping

A large, dense collection of line-art icons related to camping and outdoor activities. The icons are scattered across the page, filling the space around the title. They include various items such as tents, campfires, backpacks, sleeping bags, hiking boots, flashlights, compasses, maps, and outdoor furniture. The style is simple and clean, using only black outlines on a white background. The icons are of different sizes and are arranged in a way that makes them easy to spot for a visual search game.
