(Most stuff needed was dropped off)

Make a pirate hat

Decorate the sword

Make a pirate picture or flag with stickers and cardboard ship

Make a parrot

Need toilet roll, eyes, wings template

Pirate Battle

You will need

- Paper Cannon balls - make from crumbled paper/newspaper/magazine paper.
- Timer.
- 2 Boxes for a ship or similar

What to do

- Make 2 pirate ship from cardboard box , chalk outside or just virtual
- Put either side of room or outside (depends on how far your beaver can throw)
- Ensure Each ship has plenty of cannon balls (same number) and the aim is to get as many your canon balls into the opposite ship before timer goes.
- Pirates can throw back any canon balls that land in their ship

Walk the Plank

You will need

- A plank or a line drawn outside. Necker for blindfold and a lot of imagination.
- If you have sea creatures or a blue cloth you could make a sea

What to do

- Challenge your pirate to walk the plank forwards backwards sideways, blindfolded, hands out wide, hands down by side, balancing an object and/or anything else you can think of

Coin Chuck

You will need

- Different sizes boxes or plastic bowls or hoops
- Plastic coins (milk bottle tops would work you could always cover with foil)

What to do

- Set up boxes etc at different distances. These are “treasure chests”
- Pirate to throw coins into the chests Those further away score high or they need to get 1 in each chest.

Captain's Commands

You will need

- Rope or chalk if playing outside to mark a ship out
- Cuddly toys (as other crew)
- One person is captain and shouts out the other is the pirate doing what captain says

What to do

- Shout out in no particular order but have a practice first!
- **Captain mate** Find a mate or cuddly toy and hold on to them
- **Starboard side** Crew run to right hand side of ship
- **Port side** Run to left
- **Scrub the deck** crew to the floor and pretend to clean the deck
- **Here comes the captain** Stand still and salute
- Any other boaty instructions are great

Pirate sleepers (ideally played in the dark)

You will need

- Torch
- Blindfold (necker)
- Chair
- Box of Spoons or something that makes a noise

What to do

- someone is the 'Sleeper'; they are blindfolded, sat in the chair and handed the torch. A box of spoons is placed under their chair - this is the treasure the pirates must get.

The rest of the family are 'Pirates' and line up at the other end of the room (the Port) and the lights turned off. Other family members walk/crawl/slink towards the sleeper and try to steal a spoon - only one at a time though.

The Sleeper must listen out and if a noise is heard they point their torch and turn it on. If a Pirate is hit by the beam they are out. If a Pirate manages to make it back to 'Port' they hand over their 'treasure' and have another go.

Pin the eye patch on to pirate

What you will need

- Picture of pirate's face
- Stick on wall at good height for you r beaver
- Picture send as [attachment](#)
- Eye patch shaped paper with blue tack or sticky tape (need to make yourselves)
- Necker as blindfold

What to do

- Hopefully you know this one!

**CARRY
ON
SCOUTING**

To Earn Carry on Scouting Badge

- You need to complete 12 challenges/activities. Most of you have already completed 4
- Piglet will send out 2 activities a week for 10 weeks
- You must wear your uniform during these activities
- You need someone to send Piglet a photo of you doing the activity or keep a scrapbook and show Piglet when Beavers meets face to face
- Have Fun

Week 3 Challenge 1

- Make an Easter card to colour in.
- Write a message to someone who is currently unable to go out. This might be a neighbour or a grandparent or other family member. They might be feeling lonely and this will cheer them up to know other people care about them
- If in the village Leave the card a safe distance from their home and ask a parent to text them so they can pick it up
- If you are posting it don't forget the stamp!

Week 3 Challenge 2

- Plant a sunflower seed either in plant pot or in the garden.
- Look after it and let see who can grow the tallest one. Remember to water it and find a stick to support it
- You could decorate the pot

Closing Ceremony

- We are Beavers can't you see
- We've had fun
- And we are Happee

- Good night Beavers
- Looking forward to all the photos and see you all next week
