

2023 Gloucestershire International contingents

2023 will be an amazing year for young people in Gloucestershire with 2 large international events taking place. We hope to have a contingent attending the 25th World Scout Jamboree in Korea and a contingent attending the 14th Haarlem Jamboreette in the Netherlands, but we need you to make it happen.

Want to take on the experience of a lifetime?

- Do you think you have the skills to lead and support one of two major international events taking place in 2023?
- Are you organised, motivated and inspired to provide the experience of a lifetime for young people from Gloucestershire?

If you can answer 'yes' We'd really like to hear from you and hope that you will consider applying for a position in the leadership team for either the Gloucestershire Unit that will attend the 25th World Scout Jamboree to be held in Korea in 2023 or the contingent that will attend the 14th Haarlem Jamboreette held in the Netherlands.

We have 3 key roles available, at this time to support the journey of Gloucestershire in towards these events in 2023.

To help anyone who would like to take part we've produced role descriptions and a person specification to let you know what's involved, especially the skills and experiences we are looking for.

The Process

We plan to run the leader selection process in two stages.

Stage 1 - Unit Leader & Jamboree Manager

The leader role is hugely important, and the selection of the contingent leader will take place before the other leaders are recruited. This will give them the chance to have a say in building their team. We plan to run this part of the process as an interview after having shortlisted candidates from applications submitted. We are aiming to have interviews completed by the end of January (dates to be confirmed).

We are also looking to recruit a role of a Jamboree Manager in a similar style to the contingent Leaders via interview. This role will be one that is not attending the Jamboreette but will play a key role in the management and support of the contingent Leaders and their Leadership team

Stage 2 – contingent Leadership teams

We will consult with the respective contingent Leaders, but our current plan is to select the rest of the team based on a morning and/or afternoon recruitment exercise that will give the recruiting team a chance to see how potential leaders will work together and also how you might work with young people in the Scout and Explorer Scout age range. We are aiming to run and complete this part of the process by the end of June 2013. Dates will be confirmed in due course.

The Application

When you apply please make sure you read and complete the application form carefully. We anticipate a large number of applications, so we'll use what you say in your form as the basis on which to make a decision about inviting you for an interview.

The interview process will be short and friendly – we want to find out about you and why you want to go to the Jamborette, listen to some of your experiences in and out of Scouting and to understand what you would bring to a leadership team.

If any of these time periods pose problems for you, please contact Chris or Mark via contact details below.

In summary, our timeline for applications is as follows:

13 Jan 2021	Deadline for receipt of applications
24 Jan 2021	Notification to applicants whether they are invited to interview.
30 / 31 Jan 2021	contingent Leader interviews
7 Feb 2021	Notify interviewees of the outcome of interviews.

If you have any questions about the process or require support in the completion of the application, please get in touch.

Please note the deadline for applications is 13 Jan 2021. Applications should be submitted by email to chris.meadows@gscouts.org.uk copied to cc@gscouts.org.uk. You will receive confirmation that this has been received. Please don't leave it until the last minute, as **we are unable to consider late applications**. If you don't hear from us within 48 hours of submitting your application, please let me know.

We strongly encourage you to apply; we want to hear from as many people as possible. Remember, study the person specification and job description carefully and consider what skills and experiences you have that would contribute to ensuring the young people of Gloucestershire have the chance of one of the best experiences of their lives.

Outline Person Specification

Person Specification for:

contingent Leader to Haarlem Jamborette

International Jamborettes are fantastic events and their impact on those that attend can be, in some circumstances, life-changing. Many young people and adults return from them exhausted but elated and having made new friends.

The role of the contingent Leadership team is key in making sure that all the participants in the contingent have a safe and positive experience of the Jamborette – from the moment they are selected right through until the end of the Jamborette experience.

Being a contingent Leader is challenging but is also extremely rewarding. The below points indicate some of the skills and experiences that would be beneficial for those applying for a contingent Leader. Not everyone will have all the skills, and remember many skills and experiences are transferable from other situations (e.g. family life, work, other voluntary commitments). There are also many skills and experiences that would be valuable, but we have not got room to list every desirable characteristic here. Please use this document (along with the role description) to help focus your application.

Applicants should be aware that the Jamborette Event will last up to two weeks subject to final confirmation on the makeup of the experience and therefore will need to be sure they have the support of employers and family to be able to commit to the event. Further, there will be a significant number of weekend and evening commitments in preparation and applicants should be confident they have time available amongst other commitments to fulfil the obligations of the role.
