

Experience the Haarlem Jamborette with Gloucestershire Scouts and over 3,000 international Scouts. There are ten days full of great scouting activities, meeting new friends from more than 25 different countries, and of course fun activities to remember forever. The County has a long tradition of attending Haarlem Jamborettes which means we are drawing on experience from previous camps and organisation. We have great relationships with the camp organisers which helps our contingent to prepare for an amazing Scouting experience.

The Jamborette is an opportunity for Scouts aged 11+ and Explorer Scouts to:-

- Travel to a foreign country
- Meet Scouts and Guides from all over Europe and beyond
- Take part in the exciting and varied programme of activities arranged by the Jamborette team for over 5000 young people
- **This is NOT a camp for entire units/troops. We target individuals and small groups from many units and troops.**

Accompanying Scout Leaders: The leadership team will consist of leaders who have been selected by County because of their experience as well as bringing on new leaders to ensure the continuity of the event.

Dates: Jamborette dates are 5th August to the 16th August 2023. We add travel and camp set-up to this.

Provisional dates will be: **Depart: Friday 4th August (afternoon/evening) Return: Thursday 17th August (pm)**

Cost: The cost of the camp will be **£675.00**. This includes –

- Transport from Gloucestershire to the camp
- Insurance
- Activities and trips out organised at the Jamborette
- Contingent polo shirt, badge and necker
- Jamborette camp fees
- All food
- UK Based Pre Camp

There may be a small cost variation due to the exchange rate and confirmation of travel fares however the fee shown includes level of contingency fund to accommodate normal variations.

The cost will be split into a £75.00 deposit and 3 payments of £200 spread over the July - May period.

Deposit & cancellations:

£75.00 [non-returnable] deposit for all Scouts/Explorers and Leaders to be paid by 15th March 2022. The preferred method of payment is by bank transfer. **The account details will be provided when your application has been received, along with a unique reference.**

Places are limited and we are not intending to run a selection process. Places for young people will therefore be on a first come first served basis, however, there will be an initial limit of 8 participants per troop/unit. This will be subject to review once we have an idea of the number of applications.

Pre Camp: Included in the cost is a pre camp weekend, which is an opportunity for everybody to meet each other, Scouts/Explorers to work with their patrols and for parents to meet the leadership team and discuss any potential issues.

Jean and Callum

Gloucestershire Scouts Haarlem Jamborette Application Form

Return by 15th March 2022

Please complete/photo and send to camplead.haarlem@gloucestershire-scouts.org.uk

| <p>The Haarlem Jamborette is an international activity over almost 2 weeks. In my opinion the young person named above has the capability to enjoy this activity as part of a large group from Gloucestershire.</p> | | | |
